Phone: (886) 956615249 | Email: evan.sh.wu@gmail.com

EDUCATION

NATIONAL CHUNG CHENG UNIVERSITY

Department of Information Management

B.B.A

Chiayi, Taiwan

GPA: 3.84/5.0

June 2018

PUBLICATION

- WU, Hsin-Han; CHUANG, Yung-Ting. Low-Cost Smart Refrigerator. Edge Computing (EDGE), 2017 IEEE International Conference on. IEEE, 2017. p. 228-231. [\[Abstract\]](#)

RESEARCH EXPERIENCE

UNDERGRADUATE RESEARCH

Research Assistant, Network Research Lab

Chiayi, Taiwan

Sep 2016 – Jul 2017

- Assisted in building a networking module and analyzed results for adjustment
- Partnered with a graduate student to compare routing methods

UNDERGRADUATE PROJECT

Team Leader, "Low-cost smart refrigerator"

Chiayi, Taiwan

Jun 2016 – Jun 2017

- Planned and designed system architecture for both software and hardware
- Developed program to control Raspberry Pi sensors with a graphical user interface based on Qt

RELATED EXPERIENCE

IT INTERNSHIP

DHL Express Taiwan

Taipei, Taiwan

Jan 2018 – Jul 2018

- Developed front-end and back-end websites for internal systems and e-invoice system (in HTML, Java, JSP with Struts2), resulting in reduced expenditures for managing 1,000+ monthly phone calls via online ordering.
- Rebuild e-invoice back-end services from C# to JavaFX applications to avoid heavy workloads on servers

TEACHING EXPERIENCE

Teaching Assistant, XML and Internet Service

Chiayi, Taiwan

Jun 2016 – Feb 2017

- Providing extra support for students and assistance in class
- Planning assignments and in-class activities, leading discussion sections and grading exams

ACTIVITIES

VOLUNTEER SERVICE

Singang Township

Chiayi, Taiwan

Sep 2017 – Jan 2018

- Assisted with elder medical care: blood pressure measurement, health tracking, and medication safety promotion.
- Volunteer staff, Pacific Asia Conference on Information System 2016*
- Jun 2016 – Jul 2016
- Assisted presenters, provided technical support and distributed handouts

AWARDS

- Volunteer Service Award, Singang Township Office, 2018
- Outstanding TA Award, National Chung Cheng University, 2017
- Contribution Award, Pacific Asia Conference on Information Systems 2016 (PACIS 2016), 2016

SKILLS

Technical Skills: Java, C++, C#, SQL, HTML, PHP, JavaScript, Android, Python

Certifications & Training:

- National Taiwan University Information Training Program - C/C++ Programming (Course No. 241)
- National Taiwan University Information Training Program - Java Programming (Course No. 242)
